

Weather Cancellation Procedure

Since we were forced to cancel one of our meetings last winter, the Board has approved the following Cancellation Policy:

On a meeting day when Rockford Public Schools close because of snow (not cold), RNPW will cancel their meeting.

- An e-blast will go out to the newsletter mailing list, under the direction of the President. Announcements will also be made via our website, voice message at the RNPW phone number, and social media.
- The speaker for that meeting will be contacted as soon as possible by the Program Chair, or by the individual who made the contact with the speaker.
- Our venue, Forest Hills Country Club, will be immediately notified by the Reservation Chair or President.
- Our Public Relations chair will notify all local TV and radio stations with a public service announcement.
- Pre-payment will be credited for a subsequent meeting within the same program year. The member (or attendee) still needs to register and refer to their credit.
